

UNIT 5

Mosques

10. Join these Hadith sentences about mosques together.

- | | |
|---|--|
| a. The last hour will not come until | and the most hateful to Allah are its markets. |
| b. Those who walk to the mosques in darkness | are a sign of the Day of Judgment. |
| c. Muslims weren't told to build high mosques | will have perfect light on the Day of Judgment |
| d. Voices raised in the mosque | but they will like the Christians and Jews. |
| e. Allah loves a land's mosques the most | people compete with one another about mosques. |

How do we know when it is time for prayer? Did the Prophet SAW have an alarm clock? How do you think you would know when to pray if you didn't have a clock or an Islamic calendar to tell you?

11. Finish these sentences by adding an adverbial clause of time.

Adverbial clauses tell us 'when' an event happened.

- a. Fajr prayer occurs when

- b. Zuhr prayer occurs when

- c. Asr prayer occurs when

- d. Maghrib prayer occurs when

- e. Isha prayer occurs when
